

Dear 4 and 8 Week Private Lesson Participant(s),

Due to the recent restrictions imposed by our provincial and local health units, the rising numbers of Covid-19 cases and the individuals and families quarantining in isolation, we have made the decision to delay the start of the 4 and 8 week private ski and snowboard lessons by one week.

The 8 week private ski and snowboard lessons will run from the January 15th and 16th weekend to the March 5th and 6th weekend.

The 4 week private ski and snowboard lessons will run January 15th and 16th weekend to the February 5th & 6th weekend and February 12th and 13th weekend to the March 5th and 6th weekend.

Please allow additional time on the day of your lessons to get your lift pass and rentals. It is recommended you arrive an hour before your lesson if rentals are required.

All private lessons meet outside the rental shop at the base of the front side chair lift.

Please visit our website <https://hockley.com/ski-snowboarding/> and click "Ski Operations" for the most current COVID 19 restrictions. Please note the following:

- Masks are required at all times indoors and outdoors including lift lines, chair lifts and for the duration of lessons, including any spectators waiting at the base of the hills.
- You must complete a daily COVID screening for each person coming on property. The screening must be completed each day of lessons and you will be asked for proof of completion. [Daily Covid Screening](#)
- Daily lift tickets, rentals and lessons must be purchased in advance. Limited quantities available.

We look forward to seeing you on the hills!
