

Dear Hockley Valley Snow School Participant(s),

Due to the recent restrictions imposed by our provincial and local health units, the rising numbers of Covid-19 cases and the individuals and families quarantining in isolation, we have made the decision to delay the start of our 7 week ski and snowboard programs & House League race program by one week.

The following programs will now start the weekend of January 15th and 16th and will conclude the weekend of March 5th and 6th: Super Tots, Super Kids, Mighty Mites, Teen All Mountain, House League Racing, Adult Ski, Super Riders, Mighty Riders, Teen Riders. Programs do not run Family Day weekend, February 19th & 20th.

On the first day of your program, we ask that you arrive a minimum of 1 hour prior to your start time, to ensure sufficient time to pick up program passes and rentals if applicable. For those who have not picked up their program passes (not applicable for House League Racing) please make your way to Aida Conference Room, accessible from the outside along the driveway to ski. The entrance is marked by two blue Hockley Flags!

Please note a waiver will need to be signed for each program participant by a parent or guardian. For those participants looking to purchase our 8 week rental packages, please allow yourself extra time.

Program passes are available for pick-up in advance during the following hours:

Monday-Friday 9am to 4pm at the Lesson Desk

Saturday-Sunday 8:30am to 3:30pm in Aida Conference Room, accessible from the driveway

Program meeting areas are as follows;

- Super Tots & Super Kids: base of Little Bear (magic carpet)
- Mighty Mites, Teen All Mountain and Adult Ski: along the fence of JP
- Snowboard programs (Super Riders, Mighty Riders and Teen Riders): base of Teddy Bear (tow rope)
- House League Racing: base of Front Side chair lift

Please visit our website <https://hockley.com/ski-snowboarding/> and click "Ski Operations" for the most current COVID 19 restrictions. Please note the following:

- Masks are required at all times indoors and outdoors including lift lines, chair lifts and for the duration of lessons, including any spectators waiting at the base of the hills.
- You must complete a daily COVID screening for each person coming on property. The screening must be completed each day of lessons and you will be asked for proof of completion. [Daily Covid Screening](#)
- Daily lift tickets, rentals and lessons must be purchased in advance. Limited quantities available.

We look forward to seeing you on the hills!
