

Restaurant 85

Restaurant 85 represents the evolution of the dining experience for our guests. This uniquely-designed space showcases elements of our kitchen and offers guests the opportunity to interact with our chefs and expand their culinary experience. Experience the outdoors through our full glass Nanowall doors onto our covered Restaurant 85 patio. This new dining venue is perfectly laid out for event space and is a true reflection of our passion for food and commitment to using the finest local and seasonal ingredients.

- Seats up to 170 guests
- Modern and contemporary décor
- Feature wood elements and metalwork
- Beautiful attached covered patio with glass Nanowall doors
