

Welcome to Hockley Valley Resort - we're so glad you're here!

Our team is committed to keeping the resort clean and disinfected; we're sanitizing all public areas frequently and have a hand sanitization centre in the lobby for your use.

The Province of Ontario has now removed the mask mandate. Please feel free to wear a mask if you prefer and do not hesitate to ask a member of our team to wear a mask as they directly interact with you, if that makes you feel more comfortable. Every guest is required to self-assess for Covid symptoms before entering each area of the resort.

It's our pleasure to clean your guestroom daily. Should you not wish your room refreshed or cleaned, please place the Do Not Disturb sign outside your door. Fresh towels and bed linens are also available by contacting the front desk directly.

Enjoy our culinary experience! For overnight packages that include breakfast, you'll enjoy a breakfast buffet in restaurant 85. Food service is also available at Babbo from 11am to 9:30pm every day, with drink service available from 11am to 11pm daily. Visit our signature restaurant cabin, for dinner Wednesday through Sunday from 5:30 to 9:30. Thinking about room service? Please press the Room Service button on your guest room phone to place your order between the hours of 7am and 10pm. All orders will be delivered to your room door for you to take inside and enjoy.

Looking for some indulgence? The Hockley Valley Spa (located on the 3rd floor) is open for services and retail, with showers and change rooms available for spa guests.

Take in the view and culinary delights at Adamo Estate Winery, just 1km up the road and open for dining Friday to Sunday, wine tastings and retail service daily. Enjoy Wine and Unwind Fridays and Sunday Brunch! Please visit adamoestate.com for hours of operation and online purchasing.
